## BOOKLET INSTRUCTIONS

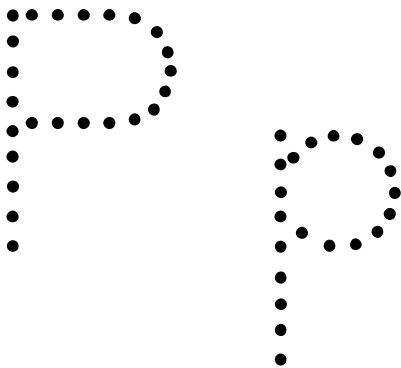

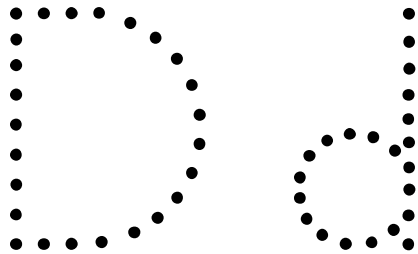

1. Try one booklet before printing a class set.
2. Print the pages, using the 2-sided copy option.
3. Cut the bottom edge from the pages first.
4. Cut the pages in half at the cut line.
5. Remove the instructions page.
6. Remove the page marked "Remove."
7. Stack "A" on top of "M."
8. Either hole punch the booklet and use brads or staple at the spine edge.
9. Fold booklet both ways at the spine edge to help the pages lie flat when the booklet is open.
